Chapter 1 by Neha

I am guessing that you have been out on Friday the 13th. Well, don't! Never, never, never, never go out on that Friday the 13th. Have you looked at the calendar recently. On November ... on a Friday ... we have the 13th! I know you won't listen to me, but I've been through a lot the last time I went out. You don't want to know, and I won't tell you. No I won't, no, no, no, stop bugging me ... okay fine; but I warned you.

I was a Friday the thirteenth, du, and I was on the streets, du again. I was walking on my friends drive way when I heard a scream from the house.

"Probably just a horror movie." I walked inside and saw a messy home with ripped stuff everywhere. I heard another scream and ran upstairs. A girl was upstairs, not my friend, but a stranger. She looked as pale as snow. She fainted and as I was trying to wake her up, I thought, why is she here? Who is she? Why does she have two dots on her neck?

Then I thought, could she have been a victim of a vampire?

stepping on. Suddenly, I knew that that noise was not from the floor boards. It was the sound of a closet door opening slowly, quietly, yet loudly.

I turned around and there I was face to face with the creature inside the closet. Suddenly the girl stood up off the floor and stood next to the vampire. It was right then and there that I realized that this was all a trap. And I had fallen for it.

Chapter 3 by Mayukha

Both of them started creeping up to me, as if I was their prey. With one grab from Vampira, The Vampire bit down on me, blood pouring through my neck. "Ahhhhh!!!!!! Please don't kill me." But it had already been done. I went to look in the mirror, finding myself from a tannish color to a pale, gray color. What had happened to me? Now I was in the world of Vampires, a place I could never escape...Or could I? Then, the idea struck me.

Chapter 4 by Min Yan

"Boom!" A lightbulb turn inside my head. "Vampire are just like the ghost!" I was thinking quietly inside. As I looked into the Vampire deep, red blood eyes, I tried to do what I suppose to do, but suddenly the Vampira ran over! "Don't Killed me AGAIN!!!" I screamed. While the vampires are trying to kill me, I find something behind me that is fabric and soft. Then I knew it's a window! I flip the window curtains, Boom! Something amazing happens!

I was like, "WAT THE DUCK!!! I EAT DUCKS! YOU LOOK LIKE A DUCK!!!! WHY ARE YOU HERE, DUCKMAN???" So I hit the vampire with a chair and he fell on his face. Next, I slapped the girl 10 times until she fainted. Then I hit the candy guy's hand and he yelled in pain. I also
